EMBRACE BELOVED MAUI

STATEWIDE, DAY-LONG VIGIL ON SEPTEMBER 1, 2023

Ho'ōla Ko Kākou Hawai'i.
May our Hawai'i heal as one.

Join communities across Hawai'i on September 1 for a one-day statewide vigil in support of Maui. This day is centered on emotional and spiritual healing that is rooted in Native Hawaiian practices with leaders from diverse faiths.

This vigil is in line with *'Aha Pule Pualu*, the assembly of kumu hula and cultural practitioners for collective prayer and reflection over an *anahulu*, a 10-day period that started on Aug. 13, 2023, at noon in alignment with the moon. The ritual is intended for those who have perished, their beloved family and friends in mourning, and cleansing of the land.

This effort is supported by the Rediscovering Hawai'i's Soul network and initiative, Council for Native Hawaiian Advancement, aio Group, and Hawai'i Executive Collaborative, in partnership with Hawai'i Governor Josh Green, Maui County Mayor Richard Bissen, Hawai'i County Mayor Mitch Roth, Honolulu City & County Mayor Rick Blangiardi, Kaua'i County Mayor Derek Kawakami, and more.
